

The Social Media Starter Kit (Collection)

A brand new collection of state-of-the-art social media guides for business 7 authoritative, up-to-the-minute practitioners guides 7 up-to-the-minute resources bring together todays most valuable new social media techniques for business! Dont know where to start with social media and online marketing in your business? Start here, with this easy-to-understand, easy-to-use, low-cost book collection! Jon Reeds Get Up to Speed with Online Marketing helps you get started fast, find markets online, and effectively promote your business on a very limited budget. It covers websites, search engine marketing, email marketing, blogging, podcasts, online video, social networks, virtual worlds, social bookmarking, and more! Lauren Dugans Ultimate LinkedIn Checklist For Small and Medium Businesses shows how to use LinkedIn to leverage your entire network of partners, suppliers, employees, vendors, and competitors. Step-by-step instructions and easy checklists help you deepen the network links you already have and tap into your networks networks, uncovering talent, partnerships, vendors and customers youll never find any other way! Next, Jamie Turners How to Build a Mobile Website shows how to create mobile websites that are clean, simple, load quickly, and are optimized for mobile users. Discover how your customers want to interact with your brand on mobile devices, compare leading approaches to mobilizing websites, and avoid pitfalls that lose customers. Turner even offers a high-level overview of the mechanics of mobile site development, construction, and testing, addressing issues ranging from branding to performance and usability. Twitter 101 tells you all you need to know about Twitter marketing, even if youve never used Twitter before. Drawing on personal experience and up-to-the-minute industry research, Lauren Dugan covers

strategy, tactics, tools, and more. Learn to time tweets for maximum impact, follow the right accounts, attract the right followers, do competitive research, network faster, turbocharge brands, engage users, and build word-of-mouth that generates real sales! Jamie Turners *How to Use Social Media Monitoring Tools* offers a fast-paced primer on social media monitoring and realistic, low-cost methods for getting started. Discover whether your social media presence is achieving results align measurement with business objectives measure branding and direct response quickly capture emerging performance trends; and more. Turner briefly introduces tools from Google and many others, and offers a practical 8-step monitoring plan that even beginners can use. Next Melanie Mitchell brings together complete processes, knowledge, and tools that *Unleash the Power of Paid Search* . Discover how well-crafted paid search campaigns can help you lead the conversation in your marketplace, extend and deepen your coverage, and more precisely target and measure your marketing program. Next, walk through building and executing a winning campaign: defining goals/objectives, selecting keywords and match types, structuring accounts, scoring quality, managing copy, optimizing landing pages, reporting, and more. Finally, in *Understanding SEO*, Mitchell draws on immense in-the-trenches experience to completely demystify modern search engine optimization. Learn to grab value from low hanging fruit, and start optimizing everything from pages, text, and keywords to images and HTML code. Mitchell explains all the concepts and terms you need to understand, so you can do it yourself, or work successfully with SEO specialists. If you want to get started with social media in your business, this collection is the most valuable, cost-effective resource you can find! From world-renowned business social media experts Jon Reed, Lauren Dugan, Jamie Turner, and Melanie...
