

## The Southern Billionaires Proposal (The Southern Billionaire Series Book 1)

Riley, the shy PR assistant to a big-time billionaire, is having some trouble in her personal life. Her asshole boyfriend has just left her alone with more bills than she can handle, and her best friend, Aimee, isn't much of a shoulder to cry on. Her father is sick, and his medical bills are more than her mother can handle. When her billionaire boss, Jackson Ebson, proposes what he believes is a mere business partnership, Riley finds it morally questionable. With a large sum of money on the table, will she accept?
