

His for the Summer

Baby you aint never had a Summer Love like this. Aspiring teacher, Cera Winslow, is three days away from being out on the streets when a cashiers check arrives, bearing one word in the memo line: JUNE. Just when shes at her most desperate, a mysterious benefactor shows up, offering her more money than she could ever earn on her own as a teacher in exchange for three things: JUNE, JULY, and AUGUST. He wants her. In his bed. For the entire summer. The only thing is, Cera has no idea who he is. Or why hes doing this. Or what he wants with a totally inexperienced, super curvy grad student like her. She takes the deal anyway. Determined not only to survive, but to also provide for her autistic sister. In her mind, she knows shes doing what she has to in order to get by. But when passions explode, Ceras no longer sure her heart will survive becoming His for the Summer. Especially when she finds out the very dark answers to all of her questions. The latest full length standalone interracial romance in Theodora Taylors wildly popular 50 Loving States series, this sexy novel features one seriously hot alpha Latino male, one sweet teacher, smoking hot sex scenes, and a secret so explosive, youll gasp out loud.
