

## Too Many Reasons: New Adult Rock Star Romance (The Spotlight Series Book 2)

Abby Gauthier is close to getting everything she's worked so hard for. The band she manages, Sinister Riot, has been offered a major record contract. But it comes with a catch: the band must add Eli Jamison, winner of the talent show The Spotlight, to the lineup. Devon Sinclair is the singer of Sinister Riot, and he's Abby's best friend. She's in love with him, but fears she'll lose him if she makes the first move. Devon thinks adding Eli to the band is dangerous, and he's right. Eli is interested in more than just making an album. He wants to take control of the band, and he wants to get to know Abby better. A lot better. When tensions between Devon and Eli threaten to destroy Sinister Riot, Abby must act on her true feelings or lose everything she's ever wanted.
