

Never Let Go: A Storm Inside Novel (The Storm Inside) (Volume 4)

Love isnt easy. If there is one thing Ive learned, thats it. Love doesnt last because its perfect or fate, its because two people decided to fight for it. They hold on tighter than anyone else when times get tough. And right now, times are really tough. Its a good thing I have a strong grip. Weve been sucked into a world filled with politics and appearances. Its triggered silent demons that Jake thought hed beaten long ago, and running from them isnt an option this time. Were in this together. Weve already lost a decade, Im not losing another minute. **This is the final installment of Jake & Eves love story! ***Alexis Anne novels are explicitly romantic. You will find intense stories of love, passion, and self-discovery, alongside intimately detailed encounters that can only occur when two people are falling hopelessly in love. These novels are best suited for readers seventeen and up due to these exciting reasons. And language. Alexis Anne uses a lot of language.
