

The Stubborn Suitor, Complete Series (An Alpha Billionaire In Love BBW Romance)

Cami Hendricks has a lot on her plate. Shes a single mom, works full-time, and her ex is a nightmare. Plus, every time she sees her mother, Cami has to tolerate her jabs about her weight. As if all that wasnt enough, the first guy Cami thinks she might really like seems to be playing games with her. His hot and cold attitude is not what she needs, especially with her ex playing hardball for full custody of her daughter. Drew Sloane is torn - he cant get Cami out of his mind. Ever since he met her at a party, all he can think of is her beautiful face and her luscious body. But the timing couldnt be worse. Before he can dedicate himself to winning Cami, Drew has a delicate personal situation he has to clear up. Now that Cami has lost all trust in him, can he convince her that shes all he wants? **BOOK ONE EXCERPT:** She allowed him to lead her towards the beach, where they both sat down in the sand and stared out at the ocean. Or rather, it was Cami who was staring out at the ocean. After a moment, she realized that Drew was staring at her. She turned her eyes towards him, and her breath caught at the his hungry look. One moment they were staring at each other, the next, they were kissing. Cami didnt know how it started, but what she did know was that Drews lips were suddenly on her own, hard and hungry, his tongue seeking entrance into her mouth. For a split second, Cami froze. She had not been with a man since her divorce and hadnt planned on being with one now. But Drew had been so sweet, and he was so sexy, and his lips felt delicious against her own. So Cami finally allowed herself to relax, leaning into the kiss and opening her mouth to let him in.
