

The Training: The Submissive Series

Now, in the enticing continuation of New York Times bestselling author Tara Sue Me's Submissive Series, the submissive and her dominant explore just how long they can make the pleasure last. It started with a hidden desire. Millionaire CEO Nathaniel West has always played by his own strict set of rules, ones he expects everyone to follow, especially the women he's dominated in his bedroom. But his newest lover is breaking down all his boundaries and rewriting his rule book. Abby King never imagined that she would capture the heart of Nathaniel West, one of New York City's most eligible bachelors and its most desirable dominant. What began as a weekend arrangement of pleasure has become a passionate romance with a man who knows every inch of her body and her soul yet remains an enigmatic lover. Though he is tender and caring, his painful past remains a wall between them. Abby knows the only way to truly earn his trust is to submit to him fully and let go of all of her lingering inhibitions. Because to lead Nathaniel on a path to greater intimacy, she must first let him deeper into her world than anyone has ever gone before.
