

## The Divorce Club

A bitter divorce from a two-timing husband leaves Sarah with no money to fend for her daughter, but she won't be beaten, so she opens The Divorce Club, a meeting place for women who want to divorce their cheating husbands, but don't know how. Soon things start to go seriously wrong. A fake client and her rising interest in him isn't Sarah's only worry; there's also the moody teenager, a stalker, and the club's personalized battle plans that start to involve more than flashing a confident smile and running a 24/7 hotline. When Sarah's ex-husband moves in without her permission in the hope to patch things up, chaos seems complete. The author of the Ancient Legends series offers up a delightful new novel, filled with her trademark wit and humour. Readers who enjoy books by Sophie Kinsella, Meg Cabot and Candace Bushnell will enjoy THE DIVORCE CLUB, a light, humorous chick lit novel by Jayde Scott.
