

## Sammy Miller Museum Collection, The: Road Machines (Consign)

This book features the magnificent Road Machines from the Sammy Miller Museum, the countrys foremost collection of such machines, excellently restored and beautifully photographed in full colour. The text is by the well-known and respected motorcycle journalist Roy Poynting. This is the second book covering the Museum Collection and will whet the appetite of those not fortunate enough to have visited the museum, and will provide a pleasant and informative reminder for others until they come again.
