

## The Trouble with Demons (Raine Benares Book 3)

Name: Raine Benares Race: Elf Job: Rescuer of spellsingers, reluctant keeper of The Saghred, and seeker of demonic doodads. Problem: Lost hellgate and imminent demonic invasion. Recently, I found the Saghredan ancient stone of cataclysmic power, an annihilator of armies, a stealer of souls, and the bane of my existence. Thanks to my new Saghred-enhanced talents, Im at the top of every power-hungry mages most-wanted list. They want to kill me, kidnap and use me, or keep me locked up for the rest of my life. When a Hellgate is opened on the island, accusing fingers point straight at me. The king of demons soul is imprisoned in the Saghred, and his queen has arrived with her demonic hordes to free him. A key exists that will unlock the Saghred and she wants me to find it. If I fail? The queen will release her hordes to destroy the Isle of Mid and all who live there. If I succeed? The demon king and the evil mages inside the Saghred will be free to do their worst. Sometimes you just cant win.
