

## The Twenty-One (Emerald Cove Book 2)

I look both ways before I cross the road. I knot my laces twice. Boring? Sure. But its also settled. Stable. Safe. And I like safe. Because broken bones may be hard to heal, but broken hearts are even harder. And when the man I loved and lost reappears in my life, I wont fall for his charms again ... will I? Joel Henley just might be my biggest risk yet. My name is Ellie Mayfield. And this is my undoing. NB: The Twenty-One is book two in the Emerald Cove series but can absolutely be read as a stand-alone novel.
