

## Space Chase (The Two Moons of Rehnor, Book 10)

A massive dust storm encircling the sector has stranded passengers on Spacebase 41-B. With the lights flickering, the HVAC system over stressed, and the Space Sailors Bar running out of beer, could it get any worse? Actually, it can, and does when a waylaid Imperial spaceplane arrives carrying none other than the Imperial Family and Someone wants to play a little game. There will be winners and there will be losers. The question is, Is dying a win or a loss?
