

Blinded by Fate (The Ugly Roses Book 3)

The final book in The Ugly Roses Trilogy Contemporary romance with one hell of a twist! How did I get here? Of course I know the answer, but if those bastards Fate and Karma truly hold the cards then I wish I knew where the hell I went wrong. There are no crossroads for me anymore. I'm kneeling on the floor at the hands of a monster. My choices along with my dignity are about to be taken and there's little I can do for myself. Trapped in a cage, the harsh bite of concrete under my knees is a cruel reminder of my past, a past that follows me wherever I go despite my best efforts to remain in the shadows. One thing for certain is that no matter what happens, no matter where this takes me or if I get out alive--Ryder will always fight for me. I'm not on my own anymore. I have a strong man who loves me and Callaghan Security behind me. Surrendering is not an option, and retribution may not be my answer. This is a reckoning. I will find the answers and survive long enough to reclaim what I lost. My intent is pure and if I'm worthy enough fate will grant me the one thing I may not deserve. Redemption. Reading Order: All books available First book: Frayed Rope Second book: Concealed Affliction Final book: Blinded by Fate Recommended +18 Due to mature content, foul language, nudity, sex, and all other things steamy! If being attacked is a trigger then this book is not for you. Full length novel told from dual POV.
