

## Unfinished

Sometimes life begins with a second chance. On graduation night, Ally Montgomery walked away from her best friend, Owen. One night changed them forever. One night, one decision to cross that line of friendship, one decision to walk away. She never forgot him. Ten years later, Owen finds her. And this time, they aren't letting anything go unfinished. Book one of a two part series. Indelible (Unfinished #2) coming soon.
