

Valens Requested - Urban Fantasy - Book 4 (The Valens of Legacy)

Heritage. Obligation. Family. Love. Fighting tradition, Fae princess Elyna Faylan escapes to the world of the Valens to avoid marrying a suitor selected by her brother. Intrigued by the Valens, Elyna's journey takes a dark twist as she stumbles upon a serial killer claiming his prize--a discovery that throws her into the path of Gabriel Dolan, a handsome detective who is hellbent on protecting her from the monstrous killer she witnessed. But as a member of the Fae Royalty, Elyna is strictly forbidden from forming anything more than an acquaintance with humans. Now it's up to magic to save them--which is against her heritage to use. Elyna must make a choice: save the man while blazing her own path or ignore the danger while staying true to heritage. Will she choose love or family--or both?
