

The Virgins Spy: A Tudor Legacy Novel (Tudor Legacy Trilogy Book 2)

Perfect for fans of Philippa Gregory and Alison Weir, *The Virgins Spy* is award-winning author Laura Andersen's second novel about the next generation of Tudor royalty—a mesmerizing historical novel filled with rich period detail, vividly drawn characters, and all the glamour and seduction of the fabled Tudor court. Queen Elizabeth I remains sovereign of England and Ireland. For the moment, at least. An Irish rebellion is growing and Catholic Spain, led by the Queen's former husband, King Philip, plans to seize advantage of the turmoil. Stephen Courtenay, eldest son of Dominic and Minuette, Elizabeth's most trusted confidantes, has accepted a command in Ireland to quell the unrest. But the task will prove dangerous in more ways than one. The Princess of Wales, Elizabeth's daughter, Anabel, looks to play a greater role in her nation, ever mindful that there is only one Queen of England. But how is Anabel to one day rule a country when she cannot even govern her own heart? Praise for *The Virgins Spy*—Andersen delivers another dramatic thriller complete with spies, battles, ruthless villains and twists on historical events that draw the reader deeply into the lives of her characters. There is magic here, and Andersen's fantastic storytelling will keep readers coming back for more. RT Book Reviews (4 1/2 stars, Top Pick!)
