

## The Wanted Bride

Sometimes in order to find yourself, you must become someone else! She's a Runaway Bride Valerie Burrows is running from a wedding, her attorney fiance and the law. Pampered Valerie takes a bus to nowhereville, where she learns her cash and credit cards have been stolen. Left with only her designer clothes and luggage she takes on a new identity and must learn to be self-reliant. She swears off men, especially attorneys, only to find the one man who refuses a one night stand and wants a relationship. He's Looking For A Wife Matt Jordan, the Colorado Crusher, is the most successful liability lawyer in the state. After the death of his brother-in-law, he realizes he's ready to settle down with a family of his own. His only requirements are intelligent, great-looking, wants more than a hook-up and doesn't lie. After witnessing the lies his father told his mother, he demands complete honesty. Yet Valerie Brown shows him sometimes in order to find yourself, you must become someone else. Even if that means lying. What Reviewers Are Saying About This New Contemporary Romance The book starts like this: A charred piece of her wedding veil fell into her face.
