

Practical Mysticism (Discourses on The Teachings of Kirpal Singh) (Volume 1)

Practical Mysticism is a collection of talks I gave following readings of key chapters from The Teachings of Kirpal Singh. Each reading and talk focused on a different aspect of Surat Shabda Meditation: a method of focusing your attention upon and harmonizing it with the Eternal Spiritual Current (e.g., Word, Holy Spirit, Ruach, Kalma and Shabda). In doing so you will: a) lifted above body-consciousness; b) gradually cease to create karma; and, c) experience soul-realization, God-realization and spiritual freedom in this lifetime.
