

Shadows of Whitestone Manor (The Winters Family Series Book 2)

Some shadows are as dark as night. At least mine are. My name is Grayson Winters and youve already been introduced to my familys story. Four months have passed since Lilith moved into Whitestone Manor to be with my brother, Orson. Now theyre getting married and its all I can do not to gag when they giggle at each other. Whitestone Manor represents nothing but secrets and darkness to me. Then, light begins to pour into my bleak world. Prater Hahn has disappeared without a trace. Not that I blamed him or his brethren. I still wasnt entirely sure Whitestone Manor was where I belonged either. All I knew for certain was that sweet, precious Ava Prescott seduced me with every bat of her eyelashes. Too bad for me, dating her was against the rules. When a new danger arises to test the residents of Whitestone Manor, it falls on me to eliminate the problem. I thought I didnt need my familys help. I thought I could protect the ones I loved. Until I realized, not all who seem harmless truly are. Loving the seemingly angelic girl I was forbidden to date certainly isnt innocent. But perhaps, neither is she? If you arent afraid of what lurks in the shadows, Ill tell you my story.
