

The Wolf of Haskell Hall

In this romantic paranormal retelling of The Hound of the Baskervilles, the last heiress of Haskell Hall must face the demons hunting on the moors of Cornwall, killing Haskell heirs one by one, or see the entire village her estate supports left bereft.

In the process, she must help the hero overcome his own demons or lose the only man she will ever love to the call of the wolf. Aiding her will be her estate manager, Shelly Holmes, a female Sherlockian character who will help solve the gory murders only to face her own demons in the process.
