

The Wolfs Surrender

At Mias Mercy As the leader of the Blackpaw werewolf pack, Nick Jenner had spent years protecting his people from dark outside forces. When the victim of a feral drifter turns up on Blackpaw territory, he thinks nothing of bringing her home while her attacker is hunted down and destroyed. But Jenner soon finds that nothing about his alluring new houseguest is what it seems. Mia DAlessandro, a dark beauty with abilities she would rather forget, was mortified to find herself the victim of a man she thought she could trust. As the full moon approaches, his bite will unleash an inner wolf that can destroy her unless she bonds with a pack. But the darkness now stalking her threatens to destroy far more, including her strong, silent guardian.
