

His Ice Baby Sub (Club Alpha Cove Book 2)

This edition has been reviewed, edited and republished on 28-10-2015. The day Bracus LeLuc realized he did not derive the need for his usual play when he flogged the gorgeous Ivanka Sutton, was the day she lost the battle. He wanted her from the first time he heard her seductive voice making a sultry promise. As a powerful Senior Master in Club Alpha Cove, he was used to taking what he wanted and so he did. Ivanka had no defense. She has never wanted or desired a man as much as she did the massive, muscled Master. Ivanka soon came to realize her possessive nature might stand in the way of her giving Bracus what he needed from her. Yet she could not deny her fascination with the gorgeous hulk and discovered a need she could not deny. Bracus refused to back down and broke down every one of her defenses, drawn fervently to her sassy, yet vulnerable nature, forcing her to acknowledge the bond that has formed between them. Until she realized the role he inadvertently played in her past. Note: This book is meant for mature audiences and contains material that some readers may find objectionable.
