

Thirsty for Payback (Sinful Business Book 1)

In a blink of an eye Allyson Roberts loses her fiancé, her employment, and her fortune. Just when she seems to have hit the bottom, Ally is recruited by an undercover agency that is interested in her skills. She takes the job with only one goal in mind: payback. Getting even is the only thought on her mind as she convinces herself that her heart has no room for love or does it? A former top agent in his field, Jake Morrissey has inner demons he can't put to rest. Now he bides his time as a training instructor. He's sworn off women, but try as he might he can't keep his eyes off Allyson Roberts. When he's asked to partner up with Ally on a new assignment, Jake is tempted to end his retirement. Will he keep running from his fears or will he find the strength to become the man he once was?
