

## Fortune Cookie Magic - Three

Red Roses for Authors Review Jill meets her friends, Gail, and Rita and Sandra and others at Eddie Changs place, because she wants them to sample the fortune cookies that brought her a wonderful lover and the baby she had longed for. The magic in these cookies only works if you are not truly fulfilled in your life and it turns out that most of the girls need a touch of magic in one way or another - but can it work for all of them? This is an extremely well crafted book. It is erotic and suitable only for over eighteens, but it has a really good story, which some erotic books do not have. This book has a charm and magic all its own. If you enjoy reading very sexy books then I recommend this one to you. This is certainly five red roses and I rather think it ought to have a whole bouquet, because of all the work and creativity that went into it. and that is a first for an erotic book, but it is also very much a romance.

Fortune Cookie Magic Blurb  
Meeting for lunch at a Chinese restaurant, Jills friends are shocked by the improbable, amazing tale of good fortune she spins. Lust, sex, love, pregnancy, and a planned marriage to a strapping young hunk, all from eating a red fortune cookie? A FORTUNE COOKIE? Give me a break! The owner of the Chinese restaurant sets one of the miracle red fortune cookies in front of each of Jills friends. Gail, the hi-powered attorney, Rita, the gorgeous model, and Sandra, the uppity socialite, look at each other, then at Chad, Jills dreamboat fiancee. What should they do? What would you do? Fortune Cookies is a deliciously naughty, whimsical, tongue in cheek, romantic story that leads four friends on a paranormal journey into the supernatural in search of love, fulfillment and happiness. It is a novel for couples, about couples. Erotic and funny, Fortune

Cookies will send you searching Chinese restaurants for the elusive red fortune cookie! Fortune Cookie Magic, a 2008 Eppies Finalist, which was subsequently rewritten, originally was published as Fortune Cookies by eXtasy Books
