

Three of Spades (Hamden Series) (Volume 2)

Dylan Cross is the type of man that enjoys everything female, and enjoy it he does, but always on his terms. However, his terms are pushed to their limit when Natalie Parker proposes an offer; teach her and her delectable little body, all about sex and desire. There is one catch. He has to play the part of Natalies madly in love boyfriend for her dying mother. Dylan signs on, and finds that separating the two is harder than he thought. Natalies days of shyness and lack of confidence come to a quick close as she learns what her body craves and demands in the bedroom. Soon, Dylan becomes the student as Natalie teaches him things he didnt even know he wanted. Will Hamdens notorious playboy, bachelor be able to keep calling the shots, or will he find that, he, himself, is just another player at the card game of life, as we all are?
