

Time to Pretend [Awakenings 4] (Siren Publishing Menage Amour)

[Menage Amour: Erotic Cougar (older heroine) Menage a Trois Romance, M/M/F, with M/M elements, sex toys] One glimpse of Daniel DiMarco sets Alaina Miles hormones into overdrive, but she cannot act on her feelings. Not only is he ten years younger than her, hes a notorious womanizer. When the tension between them escalates into one night of passion, Alaina takes it in stride. Its a dream come true, but its only one night. When a leak in her roof forces her to hire a contractor, Evan Carrico, Daniels best friend and secret lover, is the man for the job. It doesnt take long for Alaina to realize that her attraction to Evan is much more serious than it should be. As she falls in love with them and they fall for her, Alaina discovers their secret, but she wants to wait for them to build enough trust in their relationship to tell her themselves. When she stumbles upon them locked in a passionate embrace only hours after a tragic event, will the explosion destroy everything theyve built?
