

Evenings With Bryson (The Blackstone Family) (Volume 1)

Thirty-year-old Kalina Cooper is lonely, overworked and stressed out. She doesn't believe in love since watching her father walk out on her mother years ago. After divorcing his cheating wife, Bryson Blackstone is content with living his life as a single man, running his business and staying busy. But his focus is soon diverted to Kalina Cooper—a beautiful woman he sees every evening in a cafe.
