

## Lucys Love (Cruising to Love Book 6)

LUCYS LOVE \*\*\*\*\*STARS Romance and Fun What a fun summer read. This is the second book I have read by this author, a nice romance novel. Lucy and Dan are the main characters. They were broken up years before only to be reunited again when they discover they live right down the road from each other. The friends and characters in the book all work together to get Lucy to see that Dan is the one for her. They book a cruise and hope Lucy doesnt get cold feet again. Unfortunately, there is also another woman involved Belinda who has eyes for Dan. A fun feel good book. By Dee R LUCYS LOVE is Book Five in the CRUISING TO LOVE series. Lucy and Dan first met when he was twenty-one and a struggling art student, working odd jobs to pay for his tuition. She was thirty-one, at the opposite end of the economic spectrum, but neither could deny the sparks that flew between them, and they lived together for nearly five years before Lucys insecurity over their age difference drove them apart when Dan pressed for a commitment. He left England and travelled the world, painting wonderful impressions of his journeys as he went. Lucy threw herself into her business and became richer, more successful. Her love life was non-existent. Nobody could replace Dan in her heart. Eight years later, Dan returned home and when he saw Lucy again, he knew he was not going to let her go. Complicating the issue was Belinda, a beautiful artist whod lusted after Dan since they were students together. She wasnt going to let Lucy get in the way of seducing the handsome man whod turned her down all those years ago. When Belinda learned Dan planned to take Lucy on a cruise to the Greek Islands and propose, the raven-haired temptress decided to buy herself a ticket and finally seduce Dan herself, But Dans friends intervened, and when Belinda appeared on the cruise, they were ready to keep Belinda thoroughly occupied in a very entertaining

way. This is a delightful romance of overcoming fears fears of being too old, or not rich enough, and finding happiness. ABOUT EDWINA J WHITE I am British, and live in Canada, just south of Vancouver. I was about eleven or twelve when I started to write -- I thought I was destined to be a bestselling author as I penned my Perry Mason type mysteries (I hadnt discovered boys in those days!). Other interests, travel and life in general intervened, and it was many years later before I sat down to write again. The results are now available on Amazon, both on Kindle and in Print, and Im still hopeful of becoming a bestselling author. My hobbies are quilting and cruising. Ive lived in Australia and travelled extensively throughout many parts of the world. Any resemblance to me and the heroine of Francescas Voyage is purely coincidental. Or is it? My sister isnt so sure...after all, the picture of my lucky slot machine on the Sapphire Princess is remarkably similar to one thats so lucky for Francesca in Francescas Voyage. So shes asking me, what else happened on my cruise across the Pacific? BOOKS IN THE CRUISING TO LOVE SERIES Each book is a stand-alone romance, but characters pop up in most books...so its fun to read them in order, but not necessary.
