

To Kill For (The McKays Book 1)

*** The complete McKays box set is available to purchase. It includes To Kill For, Blood Sport, Hard Time, Gang Land and Killing Fields. It is on sale at \$9.99, a \$5 saving on the books if bought individually. *** Former LA Cop, Kat McKay, vows she'll never return to Brecon Point after leaving years ago. But when tragedy strikes, she returns to help solve a crime that hit a little too close to home. Uncovering the truth about her missing niece means that Kat will have to face the demons of her own past. And the only way to do that is by enlisting the help of the one man she left behind. Local cop, Finn Groves will do anything to solve the case--even if it means letting down his guard around the one woman who broke his heart years ago. With her niece's life on the line, Finn and Kat must put their past behind them in order to find Kat's niece. Will the McKays survive the explosive results or will they find one more reason to kill for?
