

Outer Core: (Stark, #3)

When Hayley makes a resolution to wear Daniels ring and embrace everything it stands for, to declare her insecurities and doubts R.I.P, its all good in theory That is until the winds of change shift. Shift and swift by, bringing along past mistakes and new revelations, which threaten the balance of their relationship. Changes that neither Hayley nor Daniel could have ever anticipated or prepared for Will the strong foundation of their relationship be resilient enough to get them through the upcoming storm?
