To the Stars: A Stewardess: A Contemporary Love Story is the Fourth Part in a Romantic Adventure, Filled with Titillating Romance and Great Suspense. In Roxy Jewells fourth novel about Lena Thompson, a beautiful red-headed, sultry stewardess, she creates an Italian-based, mafia novel about the terrors of being in LOVE with a mafia leader. When Lena falls in love with Giovanni, she thinks all her romantic troubles are over. Beneath the stars of their beautiful vineyard, she agrees to be his wife, to live her life with him in that ancient Roman world. She will have his children and have a life there, in the most beautiful land in the world. Lena finds herself wrapped in the dangerous world of the Italian mafia, searching ever for escape. However, when things grow serious, when she learns of the mafias dastardly deeds and her husbands own involvement with murders, with drugs, she knows she must escape. She finds herself trapped eternally, always captured by the evil right-hand man, Marlo, on her mad dashes from the fold. She knows she cant build a future with this man; she knows shes facing a future of terror, of murder. She knows she faces death each and every day. But she must search for a world of love, of passion once more. She must find a way to escape, to live a different future. Can she escape? She can find the love she craves? Can her past life of music, of travel, of adventure ever be, again?
