

Time Without End (Black Rose Chronicles Book 3)

If you had the chance to live with the woman you love across lifetimes, how far would you go to take it? The beautiful, seductive, and irresistible vampire Valerian seems to have it all. Known as the master of illusion, he dazzles international audiences in modern-day Las Vegas. In spite of his fame and success, Valerian is at his core a tormented man. He surrendered his soul in the dark days of the fourteenth century after losing his true love, Brenna. But once every hundred years, his beloved regains her human form whether that form be a lusty barmaid, a singer in seventeenth century London, a courageous pioneer in the Old West, or even Daisy, a tough Las Vegas cop and reawakens Valerian's most human depths before she is cruelly swept away by a creature that has hunted them through time and place. As a new century creeps up on the horizon, Valerian calls on the help of old friends and new, prepares to battle old enemies, and reopens long-healed scars. He will not lose Brenna again no matter the stakes and regardless of the sacrifice. Originally published in 1995, *Time Without End* is the third book in Miller's Black Rose Chronicles quartet.
