

## Dangerous Alliance (Too Hot to Handle)

A Fiery, Unconventional Marriage Is the idea of marriage to me so unacceptable? A seemingly innocent question, but when spoken by Dimitri Kostakidas it was deeply, disturbingly provocative. Leanne knew she was in danger of being overpowered by Dimitris vibrant Latin sexuality. Years ago, her response might have been different: as an impressionable teenager Leanne had fancied herself in love with Dimitri. But now she would do anything rather than share his bed! There was just one problem the heat of Dimitris passion scorched her senses. As her husband, would he prove untamable?
