

## Touch of the Werewolf

With the help of a charmed moonstone, werewolf Erich Lambert must find and marry his moonmate before the next full moon or, as the result of a witch's ancient curse, he'll remain in wolf form forever. Riviera Owens is surprised to find Erich in her life once again, and she's shocked to discover what he's hidden from her in the past. The moonstone works its magic, but even as Riviera comes to grips with Erich's revelation, it jeopardizes everything that she holds dear. Paranormal romance novella, approx. 21,000 words or 70 pages. Previously published as Moonstoned.
