

## Training Your Mind To Realize Its Potential

In 1984 at aged 18, Paul Davies was introduced to personal motivation and higher consciousness teachings. After 30 years of personal development related studies and practices, Paul shares through a book trilogy a possibility how each one of us can realize our pure potentiality. Training your mind to realize its potential is the 2nd book in the trilogy which conveys the benefits of spiritual practices in our daily lives. Paul tested these principles in running a number of successful and award winning business enterprises and shows tangibly The way of success is by kindness, integrity, fair dealing and service.
