

Troubled Waters (Mills & Boon Love Inspired)

Hes working for the Coast Guard, but thats not Heath Gerlachs only mission. Hes also an undercover FBI agent, and his target for investigation is his new partner, Tracie Crandall. With her blond hair and pretty blue eyes, Tracie looks sweet and innocent. But was she involved in her former partners crimes? Tracie wont talk about it. Because shes guilty? Or because shes afraid to trust another partner? Just when Heath is sure he knows, a shocking revelation changes everything. Now all he wants is to keep Tracie safe and give her a reason to believe in the power of love.
