

## Dear Emily (Forever Family Book 1)

Adoption. Is it a choice you could make? For yourself? For your unborn child? Live this heart wrenching story with both Carly and Tabitha. Carly and her husband desperately want a child of their own, but are unable to make that dream their reality. Tabitha has been through unspeakable things and must make one of the most difficult decisions a scared and pregnant girl can make. Dear Emily is told in dual point of view, allowing the reader to experience the highs and lows of both Carly and Tabitha and the decision that ultimately brings them together. Take a chance on these two very different, but incredible women. \*\*\*\*\* Two women. Carly and Tabitha. They each have suffered life-altering events that have left them both traumatically damaged. Carly Sloans life was perfect until her security and innocence was torn from her. The vast repercussions from these events threaten to destroy her stability and her chances for a happily ever after. Kyle Finnegan comes into Carlays life at the height of her turmoil. Can he help her find what she desires most? Tabitha Fletcher has constantly suffered from a very young age. She has been hiding from her past, which was full of sadness, loss and abuse. She has been so brutally damaged that she has very little hope for redemption. The revolving door of men only leads her deeper into misery. What circumstance brings these two women together and can they help each other heal? And will they each find what they need? Redemption. Love. Family. Dear Emily is the first book in the Forever Family series. Dear Tabitha and Dear Juliet are also available on Amazon. This book is not suitable for young readers. It is intended for mature adults only (18+) containing adult situations, non-consensual sex and some violence.
