

Second Chance Bite (Wolf Harem) (Volume 1)

Spencer Fallon never knew werewolves existed until he was attacked by one, making him a werewolf. For years, he lives a lonely life until he sees a gorgeous man limping in front of him one day. Ryder Jenkins life is a disaster. Kicked out of his house at sixteen when he came out to his parents, Ryder caught a ride to New York. Having no ID, birth certificate, and being underage, limited his options. When a guy offers him a place to stay, Ryder thinks his luck has changed... he couldn't have been more wrong. Six years later, Ryders knight in shining armor shows up in the form of a sexy hot werewolf. Can Ryder trust another stranger promising him a better life? Or is the devil he knows better?
