Could You Betray The One You Loved If It Meant Staying Free? When young MBA hotshot Mika Horden is recruited for her first big trading job at Dawson & Memorial she finds herself surrounded by glitz, glamour, and greed. A long shot from her checkered past of poverty and desperation. Her arrogant, take-no-prisoners, jerk-of-a-boss Erik Dawson looms over Mika as a powerful force. A controlling force. A man in every sense of the word. Now Mika must learn to go toe-to-toe with her boss, establishing her name and her reputation in ways she never dreamed possible. While shes at it, she might just teach him a thing or two about love, lust, and truth. The Trust Me Not Series is a 5 part series with installments to be published weekly.
