

## Turn My World Upside-Down (The Marconi Brides Book 3)

With her sisters both too pregnant to help with Marconi Construction, Jo Marconi is forced to hire carpenter Cash Hunter, whose rumored talents go beyond a mastery of wood. Cash is determined to seduce her and Jos just as determined not to be seduced. Though she can feel the electric passion when he's near, she knows how much damage electricity can cause and she's been hurt enough for a lifetime. So she'll resist his charms. She'll resist his lingering kiss. And above all, she'll resist falling in love. Praise for The Marconi Brides: This engaging second-chance-at-love story displays Child's trademark tenderness toward children, her belief in the importance of family through good times and bad, and the sort of engagingly quirky supporting characters she portrays so well, all set in a familiar, warm, and comforting hometown atmosphere. - Booklist on AND THEN CAME YOU Child is at her most charming in [this] contemporary romance series... - Publishers Weekly on CRAZY KIND OF LOVE
