

Twenty-Eight and a Half Wishes (Rose Gardner Mystery, Book 1)

The first book of the New York Times and USA Today bestselling series! Though much of the book is light-hearted and occasionally outright hilarious, the author sneaks in a few home truths along the way that will hit you where it counts, like how even someones best intentions can box you in. --Everybody Needs a Little Romance This was one of those books that I kept telling myself one more page, then I need to put it down. Instead I found myself tearing through the book instead, needing to know the outcome. --Just Jump Book Reviews ***** For Rose Gardner, working at the DMV on a Friday afternoon is bad even before she sees a vision of herself dead. Shes had plenty of visions, usually boring ones like someones toilets overflowed, but shes never seen one of herself before. When her overbearing momma winds up murdered on her sofa instead, two things are certain: There isnt enough hydrogen peroxide in the state of Arkansas to get that stain out, and Rose is the prime suspect. Rose realizes shes wasted twenty-four years of living and makes a list on the back of a Wal-Mart receipt: twenty-eight things she wants to accomplish before her vision comes true. Shes well on her way with the help of her next door neighbor Joe, who has no trouble teaching Rose the rules of drinking, but wont help with number fifteen-- do more with a man. Joes new to town, but it doesnt take a vision for Rose to realize hes got plenty secrets of his own. Somebody thinks Rose has something they want and theyll do anything to get it. Her house is broken into, someone else she knows is murdered, and suddenly, dying a virgin in the Fenton County jail isnt her biggest worry after all.
