

## Twisted Magic (The Dhampyre Chronicles Book 2)

Book Two in the Dhampyre Chronicles After almost dying at the hands of the carnival people, Elizabeth is settling in at Sage Springs. Dealing with the difficulties of juggling college and being half-vampire doesn't seem so bad now her new life involves sexy, Irish biker Riley. When a girl is found murdered on the beach, Elizabeth realizes she has dreamed about the killer, and she is thrown into a whole new situation. Someone appears to be picking off her friends, one by one, and she thinks she may be next. But there are too many things she can't explain, from the sudden fog that appears to have taken over Sage Springs, to the thing she believes may be hidden within it. Is a person trying to kill off the witches of Sage Springs, or is something far more sinister in play?
