

Ultimate Betrayal: Exposed

When you've been betrayed by your best friend, and a psychotic serial rapist is stalking your every move, nothing much should surprise Ronnie Harper. Determined to take back her life, she starts fresh, taking on a new business partner and for the first time in years, a man that cares for her. As Ronnie and Erik are thrown into one unimaginable situation after another, her faith in herself is pushed to the limit. She doubts the people around her, her own judgment and even Erik's growing feelings for her. He's relentless and even when she pushes him away, he won't give up, though he doesn't realize it may be the only way to protect him from Jeff and his psychotic brother, Kincaid. When they are confronted with the worst imaginable situation, Kincaid puts their love to the test. Is their bond strong enough to survive the dark, twisted mind of a sadistic rapist? Or will Ronnie's past eventually destroy them?

Warning - Ultimate Betrayal: Exposed is NOT a standalone novel. It is the second book in the Ultimate Betrayal Series. I recommend you read the first book, Revelations before reading Exposed.

Also, this book is intended for mature readers, 18 years of age +. It is not intended for the faint of heart, or the prudish. It contains lots of sex. Steamy, hot, backseat of the car sex. It contains some strong language, dark, disturbing themes and yes, there's a Cliffhanger. Please don't complain about the lack of an HEA because this book doesn't have one. It does have a lot of amusing banter, a sexy, alpha male and more intrigue, lies and betrayal to shake a stick at. If you like all that, go ahead and 1-click!
