

Unforgettable Summer

Catching the one that got away could be the ultimate ride. Wild Crush, Book 1 Champion surfer Ty Butler is living the dream-a great career, a globe-trotting lifestyle, and his pick of women. Then a visit to his hometown forces him to face Summer Campbell. A decade on, she still gives him an adrenaline rush to beat the biggest waves. She's also as unavailable as ever, or so he thinks. When the truth comes out, Ty decides it's time to lay old ghosts to rest-and lay Summer flat out in bed. Ten years ago Summer committed the ultimate sin by falling for her sister's boyfriend. She rejected Ty's love out of duty, even marrying another man in an attempt to move on. An attempt that failed. She never forgot Ty-or the havoc loving him wreaked in her life. Her body wants to finish what they started long ago. Her head tells her she can indulge in a wicked affair with no regrets. But when the pro-surfing tour inevitably calls him away, her heart could crumble like a sandcastle beneath his feet. Warning: Book contains hot sex with a hot surfer. Might warm your heart and heat up a few other parts, as well. Might even inspire you to chuck it all in and chase the endless summer.
