

Uncommonly Brazen [Brazen Sisters 4] (Siren Publishing Classic)

[Siren Classic: Erotic Contemporary Romance] Josephine Brazen is the best CPA around, but even she may not be able to help Cameron Elwood out of the mess he's in. Reluctantly, she takes him on as a client. Cameron pushes her buttons, driving her to distraction. He makes her want to do things she's never considered before, and having her sisters not believe her when she tells them he's just a client forces her to realize they might be right. Joey is so organized she scares him, but Cameron knows she's just what he needs. The more he's around her, the more he wants to get her to loosen up. He hates that she keeps him at a distance when all he wants is to get closer. When people around town start talking about them, he decides to play up that angle and see if she can still pretend the only thing between them is business. **
