

Undecided

Nora Kincaid has one goal for her second year of college: be invisible. Last years all-party-no-study strategy resulted in three failed classes and two criminal charges, and if she messes up again shell lose her scholarship. But theres one problem with her plan for invisibility, and his name is Crosbie Lucas: infamous party king, general hellraiserand her new roommates best friend. Crosbies reckless reputation and well-known sexcapades arent part of Noras studious new strategy, but as shes quickly learning, her new plan is also really boring. When Crosbies unexpected gestures of friendship pull her head out of her books long enough to see past his cocky veneer, shes surprised to find a flawed and funny guy beneath it all. The muscles dont hurt, either. But as Nora starts to fall for Crosbie, the weight of one of last years bad decisions grows even heavier. Because three failing grades and two misdemeanors are nothing compared to the one big secret shes hiding
