

Lukes Absolution (The Colloway Brothers) (Volume 3)

Demons. Regrets. Absolution. Luke has lived on the wrong side of the law since he was seventeen. His hands are stained and his soul is black, but the worst sin hes committed is falling in love with his brothers girl. Then he met her. Addy Monroe is pure, innocent and stubborn as an ox. Even though he doesnt deserve her, Luke will stop at nothing to have her. But just when happiness is within his grasp fate rips her away, reminding him once again that there is no absolution for sinners. Will Luke be able to let color fill his blackened soul? From the first time Addy saw Luke Colloway over ten years ago she wanted him. Addy has been attracted to rough, crude, inked bad boys with a bike planted securely between their thighs and wicked promises falling from their lips her entire life. Every one of them has let her down. Every one of them has broken her heart. Every one of them has put her second. Shes never going to let that happen again. When Luke promises her a future, will Addy let him in only to have her heart broken again?
