

Unfiltered and Unveiled

After a night-shift shooting of a drug dealer in The Coffee Cave, thirteen strangers each walk out with more than \$100,000 in dirty money, a pact never to meet again, and the chance to start over ASU Rio Verdes star quarterback Blake Malone has a bright future. Destined to fulfill his fathers dream of playing in the NFL, Blake has the perfect girlfriend, Stacy, and what seems to be a perfect life. But beneath the surface, all is not as it seems When Blake uses his share of the money to help bail out his friend Mishas cash-strapped dance studio, Misha is too desperate to turn it down, but he has one condition: Blake must accept free dance lessons in return. And thats when the trouble begins. Because Stacy isnt the only one who thinks their new dance teacher is hot as sin. Stacy is painfully aware that Blake has been hiding something from her, and shes determined to prove to him that his secret is not shameful. With Mishas help, Stacy plans to break down all of Blakes barriers. But will a man whose future career may rest on his ability to conform to his teams expectations be willing to take a walk on the wild side and embrace everything that he is?
