

The Unknown Daughter (Mills & Boon Vintage Superromance) (A Little Secret, Book 12)

Beware of what you look for Carrinne Wilmington vowed she'd never return to the Georgia hometown she fled as a pregnant teen. But now she has no choice. Carrinne's life depends on finding her father, a man she never knew and the key to the transplant she needs. So she decides to sneak back into town and get out with the clue to her father's identity with no one the wiser. Unfortunately, she comes face-to-face with the last person she wants to see Sheriff Eric Rivers, the former bad-boy-gone-respectable and father of their teenage daughter. When Carrinne's life is threatened by someone determined to stop her search, Carrinne must learn to trust Eric. Not so easy when he's already disappointed her once.
