

## Undeniable (The Unexpected Series Book 3)

\*\*\*\*Warning: This book is intended for readers 18 and Up. Strong language and explicit sexual scenes\*\*\*\* Three months to fall in love. Three sentences to destroy it all. Seven years ago, free-spirited Hadleys heart was shattered when her secret high school love, Ryder Blake, betrayed her with just a few short words. Now, in her twenties and committed to Braden, her boyfriend of two years, she is unknowingly still picking up the pieces, and beginning to realize her life is far from the one she always dreamed of having. When sexy and all grown up Ryder walks back into her life, memories of their summer spent together causes her to want the old Hadley back. The Hadley that took risks and made her own rules, the Hadley that only Ryder Blake has ever dared to bring out. Ryder has had his fair share of women since high school, but none have compared to the girl who stole his heart and disappeared with it. When his life starts to fall into place Hadleys sudden reappearance and disgust towards him fuels his drive to win her back and never let her run again even if she has a boyfriend, and even if he has to handcuff her to his bed. He will pursue. She will push him away. Sparks will fly. Tempers will flare. An undeniable chemistry will light it all on fire.
